2. The following arrangements have been made for the conduct of the Practical and oral examinations:—

For all Candidates—At Madras.

Place of examination—Office of the Secretary Engineer to Government, Chaynah.

Approximate number of candidates to be examined 10.

Hour of commencement of examination, 7-45 a.m.

Days with date.	Subject.
Monday, 5th December 1921 ..	Marine Machinery Engineering (Intermediate Grade)
Tuesday, 6th December 1921 ..	

3. Candidates should bring with them to the examination room the set squares, drawing instruments and answer book by them in the class room.

4. Candidates are informed that a copy of the circular list will be posted at the entrance to the examination hall on Friday, 2nd December 1921, and that they will be expected to learn their personal numbers from this list.

5. Attention is drawn to the following rules:—

(1) No candidate will be allowed to enter the examination room unless he wears a clean and decent dress, and, in all cases where good manners require it, a reliable writing for the hall, nor will he be allowed to keep his shoes on unless they are shoes of English pattern, and seats and trousers are worn also.

No candidate suffering from any contagious disease will be admitted to the examination room.

(2) No candidate will be allowed to quit the examination room on any day until the expiration of half an hour from the time fixed for the commencement of the examination, and candidates arriving after the expiration of that half hour will not be admitted.

(3) No candidate will be allowed to re-enter the examination room during the hours of examination after once quitting it, nor to leave the room without finally giving up his answer papers.

(4) Any candidate detected in speaking in, or in any way communicating with, any other candidate will be at once removed from the room, and the consequences reported to the Commissioner.

(5) Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examination or if suspected of having had recourse to subterfuge of any kind is liable to lose his examination certificate and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit; or, if the Commissioner is not satisfied for any reason whatsoever as to the qualifications of his candidate, he may report to undergo re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination for which it appears, his fitness or talents being determined on the results of such re-examination.

(6) No candidate shall, in any manner, be allowed to introduce into the examination room, ink, slates, books, ruled sheets, manuscript, or papers of any kind. Any one detected in the violation of this rule or having recourse to any other practice will be removed from the room and the consequences reported to the Commissioner. Candidates will, however, be allowed the use of mathematical instruments for Geometric figures as ruling lines.

(7) Candidates whose names are not in the printed list furnished to the Superintendents must submit a written declaration through the Superintendents giving full particulars in regard to themselves and their address and furnish such evidence as may be possible of their having applied for admission to the examination at the proper time and paid the prescribed fees. The answer papers of such candidates will not be valued unless it is clear that the contents of their names is not in fact of theirs.

(8) Candidates may have to write their answers on both sides of the paper supplied to them and they will receive the necessary instructions on this point in the examination hall from the Chief Superintendent of the examination.

(9) A candidate having completed his paper will also, from his seat and remain standing until the Superintendent takes his answer papers. Any candidate wishing to ask any question of the Superintendent will pursue the same course, but will, on no account, leave his place.

(10) Any answer paper sent up without the candidate's name and a carbon affidavit will not be valued. The answer papers and drawings should be stitched or pinned together at the upper left hand corner, and the whole folded so two lengths (not corners left free). The place of examination and the name and number should be written out clearly by the candidate on the top right hand side of the first page of the answer paper as well as on the top of the paper after it is folded.

(11) Candidates will not be allowed to take any papers, except their question papers, out of the examination room.

(12) Candidates are forbidden to use any papers or to throw ink or papers on the floor. All spent papers, etc., should be left on the desk where the candidate has been writing.

(10) Candidates are forbidden to give hints or any question on the question paper itself; they will not be allowed to take any papers, except their question papers, out of the examination room.

NOTIFICATIONS.

THE BARBARA PARKMAN PRIZE, 1923.

The prize for the year 1923, which may be in the form of money or book and may amount to about Rs. 400 or more, will be awarded by the Syndicate for the best essay or thesis on any topic connected with Ancient Indian History by the writer in Arts at the University of Madras. The Syndicate may grant a part only of the prize for a thesis not deemed worthy of receiving the whole prize, or may decline to award the prize on the ground of insufficient merit in the thesis submitted. When two or more essays or theses are considered to be of equal merit, the prize will be divided among the authors.

1. All essays or theses should reach the Registrar before the end of February 1923.

2. The essay or thesis should be an original work done by the candidate. The candidate shall indicate by means of foot-note, the sources from which his information is taken, the extent to which he has availed himself of the work of others, the date or dates of his reference or references, and the portion of his thesis which he claims as original. He shall further state whether the research has been conducted independently, under any advice or supervision with others, and in what respects his investigations appear to him to advance the study and knowledge of Ancient Indian History.

3. All essays and theses for University prize shall be forwarded to the Registrar by the prescribed date by registered post. No essay or thesis shall bear upon it the name of the competitor or anything whereby his identity can be ascertained by the persons to whom it is to be submitted for consideration. Each essay or thesis for a University prize shall be bound by a motto on a separate page selected by the competitor and shall be accompanied by a sealed cover bearing on the outside the name of the writer and the competitor's name in small letters and containing his name, designation and address and a signed declaration that the essay or thesis has been prepared solely for the purpose of competing for the prize and has not in any manner been previously published. Essays or theses may be printed, typewritten, lithographed or written (but not in a competitor's own hand).

4. The successful thesis will, under the terms of award of the endorsement, be published by the University, the exact mode of publication being determined by the Syndicate.

THE MACHIAVELLI OF TRANSLATIONS CONCERN PRIZE, 1923.

1. The prize shall be awarded for a thesis on either:—

"The scope of field work in Archaeology in South India."

or

"The determination of a minimum (subsistence) wage, for town and country, in South India."

2. All theses should reach the Registrar on or before the 1st February 1923.

3. All essays and theses for University prize shall be forwarded to the Registrar by the prescribed date by registered post. No essay or thesis shall bear upon it the name of the competitor or anything whereby his identity can be ascertained by the persons to whom it is to be submitted for consideration. Each essay or thesis for a University prize shall be bound by a motto on a separate page selected by the competitor and shall be accompanied by a sealed cover bearing on the outside the competitor's name or motto and containing his name, designation and address and a signed declaration that the essay or thesis has been prepared solely for the purpose of competing for the prize and has not in any manner been previously published. Essays of theses may be printed, typewritten, lithographed or written (but not in a competitor's own hand).

THE BROWNE-WATKINS PRIZE, 1923.

It is hereby notified that the subject of the work in T-logs for which the prize will be awarded in 1923, is:—

"Principles and methods of treatment with special reference to India."

The following particulars must be noted by the lettering mentioned:—

(1) *Manner of treatment*.—The treatment must be non-surgical as far as possible and at the same time scientific. To facilitate verification, references must be given for all authorities cited.

(2) *Style*.—The style must be simple, unadorned and grammatical. Where technical words are used, their English equivalents should be given in small brackets. Special attention must be given to the correctness of the spelling of the subject of the endorsement is to popularize scientific knowledge.

(3) *Length of the work*.—The work, if printed, should not exceed more than 100 pages (columns and not count the pages). This does not include tables and references in footnotes and a summary.

All competitors should submit their productions so as to be received by the Registrar not later than 1st February 1923. The work should have been prepared solely for the purpose of competing for the prize and should not have been published in any manner previous to submission. Each competitor for the prize must forward with his essay or thesis a declaration that the above conditions have been observed. It is a condition of award that the prize thesis should be published by the successful competitor.

All essays and theses for University prize shall be forwarded to the Registrar by the prescribed date by registered post. No essay or thesis shall bear upon it the name of the competitor or anything whereby his identity can be ascertained by the persons to whom it is to be submitted for consideration. Each essay or thesis for a University prize shall be bound by a motto on a separate page selected by the competitor and shall be accompanied by a sealed cover bearing on the outside the competitor's name or motto in small letters and containing his name, designation and address and a signed declaration that the essay or thesis has been prepared solely for the purpose of competing for the prize and has not in any manner been previously published. Essays of theses may be printed, typewritten, lithographed or written (but not in a competitor's own hand).

4. Further particulars regarding the prize will be found at pages 184 and 187 of Volume II of the Calendar, 1923.

The Syndicate has awarded the Sir William Wedderburn Prize to Mr. K. Krishna Rao, a.c. (Browne).

OFFICIAL ADVERTISEMENTS.

TENDER FOR RECONSTRUCTING THE VYAM DAM IN POKHARI TALUK.

1. Bids will be received by the undersigned at his office up to 5 o'clock on Monday 11th December 1921 for reconstructing the Vyam Dam.
2. Tenders should be addressed to the Executive Engineer and should be accompanied by "Tender for the above work."
3. Each tender should be accompanied by an amount of Rs. 50 in cash or company notes which will be returned to the tenderer whose tender is accepted.
4. The Executive Engineer will reserve to himself the right of rejecting all or any of the tenders without assigning any reasons for so doing.
5. As soon as the acceptance of the tender is notified the successful tenderer will be required to deposit a further sum of Rs. 500 which will be held as security for the due fulfilment of the contract.

9. The successful tenderer will also be required to sign an agreement in the proper department here for the due fulfilment of the contract.
7. Failure to comply with conditions 3 and 4 above will entail forfeiture of the contract money.
8. The contract should not be added or transferred, by power-of-attorney, authorizing others to receive payment.
8. Other conditions of contract and the contract documents can be seen at any time between 11 a.m. and 5 p.m. in the Executive Engineer's office from which the blank forms of tender can also be obtained.
10. The rates should be specifically stated and tender stating as many per cent above or below the estimate given will not be accepted.
11. The checks for the materials should be put up by the contractor at his own cost and he should remove the same at his own cost when ordered to do so.
12. All duties must be cleared by the contractor at his own cost.
13. No separate charges will be paid for (1) conveyance of water, (2) pits, (3) shovels and ropes, (4) mortar, (5) oil, (6) scaffolding and putting charges. The work which is in contact with the masonry should be tarred with boiled tar three coats at the contractor's cost, (6) no increase in rates will be given by the department after the acceptance of the tender.
14. If any corrections are made, the tender is liable to rejection.
15. No alterations made by the tenderer in the agreement or conditions of contract will be forwarded.
16. The schedule of quantities is liable to alteration by additions, deletions or additions.
17. No temporary labour will be provided for the work except at Government cost.
18. All the items in the schedule should be itemized up to tendered rates and the grand total stated by the tenderer.
19. The tenderer should specify that he abides by the above clauses.
20. Rates for labour at which the tenderer will supply labour only if required should be stated against the following items.

The Standard Encomaster and Typewriters are used at 8 a.m., 10 a.m., 4 p.m., and 8 p.m. and the daily means are obtained by the application of hourly corrections, deduced from twenty years' observations. The column of the barometer is twenty-two feet above the level of the sea, and the radius of the station is two feet from the ground. The wind, rain and general weather registered are for the service and for the midships to midships.

The total quantity of rate collected since January 1st is 82,800 bushels, the average due for the same period being 42,400 bushels.
